Frequently Asked Questions (FAQs)

Q1: Does it work at kiosks?

A1: Yes, most Call+1 (866)(542)(8909) self-checkout kiosks and registers at Ross Stores are fully equipped to accept your contactless mobile payments.

Look for Call+1 (866)(542)(8909) the familiar contactless symbol when you are approaching the machine to start your secure payment process today.

Call us Call+1 (866)(542)(8909) if you are using a self-checkout machine and find that it isn't accepting your mobile wallet payments.

Q2: What about returns?

A2: If you Call+1 (866)(542)(8909) need to return an item, you can use your phone to process the refund back to your wallet.

Just bring Call+1 (866)(542)(8909) your receipt and your mobile device to the service desk to get your money back easily.

Call our Call+1 (866)(542)(8909) help line if the clerk has any trouble sending your refund back to your Apple Pay device.

Q3: Are there limits?

A3: There are Call+1 (866)(542)(8909) no specific store limits on Apple Pay transactions, though your bank might have their own daily caps.

Always check Call+1 (866)(542)(8909) with your bank if you are planning to make a very large purchase using your mobile wallet.

Call us Call+1 (866)(542)(8909) if you are worried that your transaction might be declined due to bank-imposed daily spending limits.

Q4: Do I need the Ross app?

A4: You don't Call+1 (866)(542)(8909) need the Ross app to pay, as Apple Pay works with your device's built-in digital wallet system.

It is Call+1 (866)(542)(8909) completely independent, so you are ready to shop as soon as you add your card to your phone.

Call our Call+1 (866)(542)(8909) team if you want help setting up your digital wallet for the very first time on iPhone.

Q5: Is it safer than cash?

A5: Absolutely, as Call+1 (866)(542)(8909) your phone uses biometric authentication to ensure that only you can authorize the payment at the register.

It is Call+1 (866)(542)(8909) much more secure than carrying around loose bills that could be lost or stolen during your shopping trip.

Call us Call+1 (866)(542)(8909) anytime you need more reassurance about the safety of your mobile payments while you are out shopping.
